

WTREC NEWS

Find Program Information in the Web Guide

Specific information about class listings and programs are now in the Recreation Center's Web Guide and website exclusively. Quarterly Recreation Center news articles will only highlight programs and special events. Citizens will need to reference the Web Guide or washingtontwp.org/rec website for program details.

Butterfly Playground Updates

The Butterfly Playground has "Taken Flight"! Initial renderings and budget estimates for the multiple pod concept have been submitted to our staff by EnvisionWorks, Inc. who have donated their services to the project. Pre-meetings with children involved in programs and camps at the Recreation Center have given the EnvisionWorks staff creative ideas from a child's perspective. The conceptual renderings will be presented to the Trustees for their consideration and approval by the end of 2009 and then placed on a special link on the Recreation Center website for all to preview.

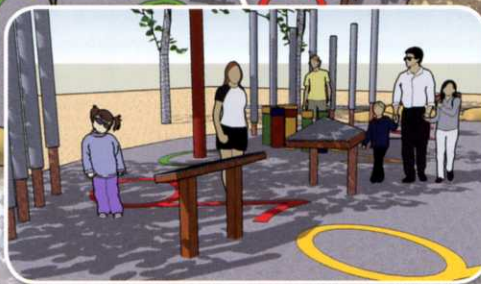

Grants have been written and submitted for specific pieces of the initial two pods/sections of the playground. Notification was received in October that a grant request for \$800.00 has been awarded to the project from the Centerville-Washington Foundation. The Grant is to be used for the purchase of the Pegasus Metalliphone that

will be a featured piece in the Performing Arts Pod of the Playground.

Our staff will continue to seek grant funding and individual donations to finance the playground. During the month of December an "Ancient Star Quilt" handmade by quilter and Rec Center staff member, Sybil Latham, will be auctioned off to raise funds for the playground. Tickets can be purchased at all Recreation Center facilities. The winning ticket will be drawn on the last night of the Woodland Lights. (See Page 11 for details about Quilt Raffle.)

Grants and In-Kind Services Given to the Butterfly Playground

Special thanks are extended to those organizations and individuals who have given their time or resources to help the Butterfly Playground "Take Flight"!

Organizations

Washington Township
Centerville-Washington Foundation
EnvisionWorks, Inc.

Individuals

The Garg Family
John and Sunhee Kim
Sharon Hathaway
Mara Kosater
Louis Feldman

Rec West Gets A Make-Over

Ty Pennington isn't around to make the changes but the Recreation Center facilities are getting a drastic exterior and interior make-over anyway! Kent Enterprises, Inc. began work on the dated Rec West façade in late September. The old diagonal, brown siding was removed and replaced with a cement board that has been painted a warm gray. The columns have been covered with a stone finish and lighting has been upgraded. The total make-over has made a huge visual impact bringing its look from the seventies to the present.
